

We at **Scientific Standards Services** have made it a commitment to give you only the best service, through state-of-the-art instruments that are traceable internationally.

Our staff is internationally-trained — they are efficient, fast, and smart. With the help of excellent equipment and equally-efficient people, we ensure that you'll get service that is a par with the world's best.

PAO ACCREDITED
CALIBRATION LABORATORY
PNS ISO/IEC 17025:2005
LA-1997-014D

Our accreditation speaks of our expertise and excellence. (SINCE 1997)

SSS is accredited by the Bureau of Products Standards as conforming to

PNS 1600 (ISO/IEC 17025).

SSS is designated as an accredited laboratory for services in the field of Metrology and Calibration.

The Company's Primary interest involves verification and calibration of equipment for individual and public/private corporation. Projects we take maybe single test, continuing test projects or long-term contractual test programs.

-
- Now with Faster Turn-Around Time!
(6 - 10 Working days)
 - Express Service (1 - 3 Working days)
 - Lower Calibration Rates
 - Lower On-Site Calibration Charges
 - Pick-Up and Delivery Service
 - Wider Scopes of Accreditation
 - Extended Capabilities (Over 100 Insts)
 - Online Support / Inquiries

Be one of our **PRIORITY** customers.
Be part of our **Long-Term Contactual Test Programs.**

- Price Freeze throughout the contact period
- Guaranteed Schedule
- Monthly / Weekly Recall Notifications
- Faster Release of Cal. Certificates

CAPABILITIES

ELECTRICAL INSTRUMENTS

- Multimeters / Multitesters
- AC / DC Voltmeters
- AC / DC Current Meters
- Ohmmeters / Resistance Meter
- AC / DC Ammeter
- LCR Meters
- Power Supplies
- Rectifiers
- Wattmeters• Clamp Meters
- Insulation Tester / Megger
- Digital Earth Tester
- DC Voltage Current Simulator
- AC / DC Withstanding Voltage Tester
- Hipot / High Voltage Tester
- Capacitance Meter
- Oscilloscopes Wriststrap / Footstrap / Flooring Testers
- Double Bridge Meters
- Sound / Noise Meter
- Process Calibrators

TEMPERATURE

- Temperature Controllers / Recorders / Profilers
- Glass / Bimetallic / Dial / Digital Thermometers w/ Probe
- Temperature Calibrators
- Oven / Furnace / Incubators / Freezer / Water Bath / Autoclave / Hot Plate / Chiller
- Soldering Iron Thermometer

LINEAR / DIMENSIONAL

- Calipers
- Micrometers
- Pin Gauges
- Steel Rule
- Retractable Pocket Rule
- Measuring Tape
- Dial Gauges
- Dial Test Indicators
- Measuring Microscopes
- Profile Projectors
- Height / Depth Gauge
- Digimatic Indicators
- Thickness Gauge

FORCE, TORQUE & PRESSURE

- Push-Pull Gauges
- Force Gauges
- Tension / Gramm Gauges
- Tensile Testers
- Compression Testers
- Torque Meters / Analyzer
- Torque drivers / Wrenches / Gauges
- Pressure Transmitters / Sensors / Gauges
- Tire Gauges
- Pressure Relief Valves

WEIGHING INSTRUMENTS & TEST WEIGHTS

- Test Weights
- Mechanical / Electrical balances
- Analytical Balances
- Weighing Devices

SPEED, TIME & VISCOSITY

- Stopwatch / Timers
- Contact / Non-Contact Tachometers
- Stroboscopes
- Viscometers
- Viscosity Cups

OTHER SPECIAL INSTRUMENTS

- PH Meters
- Pick Glass
- Dip Tester
- Dissolution / Disintegration Apparatus
- Moisture Balances
- UV Auto Fade Meters
- Melting Point Apparatus / Melt Indexer
- Sunshine Weather Meters
- Xenon Text Instruments
- Solder Baths
- Oil Baths
- Press Fit
- Impact Tester
- Length Counters
- Consistometers / Texture Analyzers
- Sharp Point Testers
- Hermatocrit
- Crease Flex
- Crock Meters
- Durability Tester
- Universal Wear Testers

... and many more
